We welcome submission of original manuscripts containing new information from these areas. We encourage electronic submission of manuscripts. Please consult recent issues of the journal and the FOS website (<http://www.fosbirds.org/content/ffn-article-submission-guidelines>) for style, noting especially that manuscripts should:

- (2) include the scientific name at the first mention of each species;
- (3) include capitalized standard English names for all birds, but lower case for English names of other organisms;
- (4) use metric units for all measurements;
