RENEWALS AND GIFT SUBSCRIPTIONS

Renewal notices will be mailed in late October. Your prompt response will help us process the information efficiently. As many of you probably know, this journal is produced entirely by volunteers. We appreciate any assistance you can provide by answering the first renewal notice.

Those subscribers who last year renewed for two years will not receive notices, but we remind you that *BIRD OBSERVER* subscriptions make excellent holiday gifts for your birding friends wherever they live. Subscription information appears on the inside front cover of this issue.
