BIRDER'S EXCHANGE

Manomet Observatory's Birder's Exchange collects new and used optics and field guides for distribution to Latin American ornithological groups. The Observatory has many pending requests for equipment, but our supplies are running low. Optical equipment must be in good working order. Donations may be dropped off at our displays at the Massachusetts Audubon Birders' Meeting, November 18, 1995, Stonehill College, Easton, Massachusetts or call Manomet at 508-224-6521.
