

Next Year's Annual Meeting

Late News Flash--- President Groskin has just advised that the Council has voted to hold the next Annual Meeting in Baltimore on March 31, 1951. Mr. Orville Crowder of Chase, Md., has been appointed Chairman of the Committee on Local Arrangements. Mr. Crowder is State President of the Maryland Ornithological Society and has been active in EBBA affairs. This should be the best meeting of all! Better plan to attend.

A Reminder

Quotation from Article III of the by-laws: "A member whose dues are six months in arrears is no longer in good standing and automatically forfeits his membership." Most of our delinquent members have probably forgotten to send their dues to our Treasurer. If you are one of them--do it today.

Corrections

In the March issue Mr. Groskin's bird 39-167277 was mentioned as his oldest White-throat. Your Editor overlooked an older bird in his records, 39-128738, an adult male when banded which was at least five and one-half years old when taken for the last time.

Mr. Gill called attention to another error. The White-throat reported as having been recovered at Mt. Horne, Texas, was not a White-throat, nor was the bird taken at Mt. Horne, nor was it banded by Mr. Mason. It appeared in an earlier issue of EBBA News, as was reported in the March issue, but your editor failed to find the correction which was subsequently published.
