

OPERATION Pending a full report, here is added news on OPERATION
 RECOVERY RECOVERY stations: Seth Low, at Cape May Point, N.J.,
 banded several hundred birds of 59 species. . .among
 EBBA members helping him were Joseph Cadbury, Arthur Fast,
 Reverent Garrett Detwiler and George Hitchner.

Chandler Robbins, at Ocean City, Md., banded 890 birds of 75 species.
 Among those helping him were Richard & Gladys Cole, Stephen Simon, Martha
 Dubois, James Travis, Bruce Davenport, A.J. & Roberta Fletcher. The
 Coles and Richard & Mrs. Riesz also ran a station on Assateague I., Md.,
 banding 85 birds of 21 species.

WHO IS BANDING THE MOST OF WHAT?

Additional responses to our request for 1955 banding totals appear
 below. The first six show figures bettering the totals appearing in
 the previous issue - the remainder are news. REMEMBER! When you list
 your 1956 totals for the Bird Banding Office, make an extra copy and
 send it in.
