

"Thank you" to those who reelected me, and many thanks to all who did the work connected with the 40th annual meeting at East Stroudsburg State College.

The "Suggestion Box" is empty again. If you have any ideas on how to make the 41st annual meeting better, please send them to

annual meeting better, please send them to the president or to Vice-President John Given who is in charge of the next program. We will be glad to consider your suggestions.

The Workshop Manual Vol. 2, 1963, issued to those who registered at the meeting, is one that banders who were unable to attend will want. One of the articles opened a whole area of research for me. I can hardly wait to collect the data to see what they will show.
