"WHO BANDED WHAT" DEPT.

Lillian Cardinali, for a number of years editor of our "Who Banded What" Section, is moving to Florida to live. From their new home there we shall hope to receive interesting and informative articles from the Cardinalis for publication in EBBA News. Lillian Cardinali took care of the details of this section through its early and formative years and brought it to its present position as an eagerly read feature. We shall always be grateful to her.

Betty Knorr becomes the new "Who Banded What" editor. Plan now, when writing up your 1962 lists of birds banded and returned, to make an extra copy of the list you make for the Banding Office -- send this extra copy to Mrs. Betty Knorr, 58 Steamboat Landing Road, Cheesequake, So. Amboy, N.J.

How are you planning to get to next year's EBBA annual meeting?
