Robert P. Yunick	N.Y. & N.J.	2964	96	22

Of the 168 reports received, 304,027 birds of 268 species were banded in EBBA territory during 1964. Additional reports from outside EBBA territory were also received but are not included in the totals.

A number of banders requested additional copies of the EBBA Annual Banding Report form for their own use. Unfortunately, extra copies of the form were not available. This year we will have extra copies printed which will be available for a nominal cost to cover postage and printing.

This was EBBA's biggest and best report, and I would like to thank all the banders who contributed. Special thanks also, for the many personal notes that were sent to me with the reports. I regret that I couldn't acknowledge all of these notes personally and would like to take this opportunity to express my thanks for all the many notes and comments, which are always welcome.

Mrs. Neil M. Knorr, 58 Steamboat Landing Rd., South Amboy, New Jersey 08879
