

This is the last issue of EBBA News before the Annual Meeting and as space is at a premium, I will be brief. In April, I retire as President and I would like to take this opportunity to thank all of you for your ideas, assistance and cooperation in making my term as President a most pleasurable and constructive one, and a very gratifying experience.

Oglebay Park sounds like a fine place for our meeting and I hope a great many of you will be able to attend. A glance at the program elsewhere in this issue shows that it will be an edifying experience for all tastes and interests. See you there!

Evening Grosbeak - photo by Mrs. Badley Fisk.
