

RECOVERY REPORT
and FOREIGN RETRAP
EXCHANGE

PARDON ME...

author a paper on your recoveries, you may do so at any time. We have two papers pending at the moment, which deal exclusively with recoveries and returns. They will appear in one of the forthcoming issues.

Several readers have asked if it is necessary to print their recoveries in this column, rather than in a separate article. The answer is NO - if you wish to

(*) Whenever reporting these recoveries, please submit all pertinent information.

W A N T E D - A volunteer bander to prepare, sort out, correspond, edit this column! I find with my new job, I have less time for these small details. If I can relegate this column to another bander, I'd have so much more time for other (and perhaps more important) duties. Please contact the editor: Frederick S. Schaeffer, 84-55 Daniels Street, (Apt. 1K) Jamaica, New York 11435 or telephone (evenings) 212-657-5673.
