

**CUMULATIVE INDEX FOR *CORMORANT* 1976-1987 (VOLS 1-15)**

A cumulative index for *Cormorant* (the previous name of *Marine Ornithology*) from volumes 1 to 15 (1976-1987) is now available. The index has been produced by D.C. Calder and includes indices of authors, scientific and english names of birds, and of subject matter. Because annual indices were not produced for *Cormorant*, the cumulative index is the only easy way to search through the first fifteen volumes. The cumulative index has been produced

to the same format and design as *Marine Ornithology*.

Write to the African Seabird Group, P.O. Box 34113, Rhodes Gift 7707, South Africa to obtain a copy of the cumulative index. The price to personal subscribers inclusive of postage, is South African Rands 20.00, US Dollars 25.00 or UK Stirling 15.00.
