PUBLISHED BY THE CLUB.

## IMPORTANT NOTICE.

---

THE **First Series** of the BULLETIN OF THE NUTTALL ORNITHOLOGICAL CLUB closes with the **present volume**. A **Second Series**, with change of name, will begin with **January, 1884**, under the auspices of the AMERICAN ORNITHOLOGISTS' UNION, and under the Editorial Management of Mr. J. A. ALLEN, assisted by a Staff of Associate-Editors.

The first number of the New Series will be sent to all present subscribers to the BULLETIN, in the hope that they will be pleased to subscribe to the Journal under its new auspices and name.

**Terms of subscription**, and other information of interest to Subscribers, will be given in the **Prospectus** accompanying the first number of the new publication.

**Communications** intended for publication should be sent, as heretofore, to

**J. A. ALLEN, Cambridge, Mass.**

It is to be hoped that the many friends of the Bulletin will extend their hearty support to the new publication, freely contributing their observations to its pages, and using their influence to extend its usefulness.

---

## WANTED.

---

A copy of the *original edition* of Nuttall's "A Manual of the Ornithology of the United States and Canada" (Land Birds, 1832; Water Birds, 1834).

Also, the "American Monthly Magazine" (Vols. I-IV, 1817-18), and the second American edition (1815) of "Guthrie's Geography," the latter containing Ord's list of American Birds.

Any one having a copy of either of these works which they are willing to part with will please address (stating condition and price) J. A. Allen, Cambridge, Mass.
