

The 1998-99 Christmas Bird Count areas. Numbers within circles correspond to count numbers in the preceding article. Circles without numbers indicate those counts which were not conducted during the 1998-99 season, but were conducted during the 1997-98 season.

These blue-morph Snow Geese were photographed on 26 February 1999 along the old Cedar Point causeway, Erie Co. Photo by Gary Meszaros.
