GENERAL NOTES.

Larus atricilla at Springfield, Mass.—Yesterday I captured near Springfield a Laughing Gull (*Larus atricilla*). This fact may not be worthy of note, but not having seen or heard of one here before, I conclude it was a rare bird to find so far in the interior. The Great Black-backed, Herring, and Ring-billed Gulls are often here.—ROBERT O. MORRIS, *Springfield, Mass.*, Oct. 2, 1887.
