

A LIST OF THE BIRDS COLLECTED ON THE  
 ISLAND OF TOBAGO, WEST INDIES, BY W. W.  
 BROWN, JR., DURING APRIL  
 AND MAY, 1892.

BY CHARLES B. CORY.

THE collection made by Mr. Brown contained over seven hundred bird skins and a few mammals, including two specimens of *Sciurus griseogenys* Gray. The birds are especially interesting, several of them being new to the island.
