CORRIGENDA

Volume 57, p. 106: In the note by William F. Rapp, Jr., entitled 'A heronry in northern New Jersey,' it is said that both Great Blue Herons and Little Blue Herons were undoubtedly nesting. The author now believes that these birds did not nest at the locality.

Volume 57, p. 316: Delete the paragraph beginning "December 2," etc. Owing to war conditions, the authors of this paper were unable to see proofs.

Volume 58, p. 11: In the Bibliography of J. H. Fleming it appears that 'Birds of northern Saskatchewan and northern Manitoba collected in 1914 by Capt. Angus Buchanan' was actually issued in 1920, not 1919; the paper on 'The arctic collection of the Victoria Memorial Museum' (listed as printed in 1926 as it appeared on a separate) was actually published in 1929. Two additional titles are:

1922. The White-billed Northern Diver as a British bird. *British Birds*, 16: 115-116.

1935. Bird protection in Canada. *Fourth Bull. Internat. Comm. for Bird Protection*, 17-18.

Volume 58, p. 92: line 25 should be deleted. It is a repetition of line 7 above.

Volume 58, p. 146: line 32, under Albert Richard Brand, for "May 1940" read March 28, 1940.

Volume 58, p. 147: line 9, under Pompeo Margherita Maresi, for "Searsdale, N. Y.," read Newport, R. I.

Volume 58, p. 271: lines 10 and 11, for 'Fifty-eighth' read Fifty-ninth.

Volume 58, p. 306: lines 10-12, in reference to Witmer Stone's first appointment as a member of the A. O. U. Committee on Nomenclature, for "I am unable to ascertain, as" read, was in November 1905 (*Auk*, 23: 125, 1906).

Volume 58, p. 440: line 12 from bottom, for "1888" read 1889.

THE AUK

A Quarterly Journal of Ornithology

ORGAN OF THE AMERICAN ORNITHOLOGISTS' UNION

Manuscripts should be typewritten if possible. As an aid in bibliography, titles should be brief. References to literature, if few, may be inserted in parentheses at the appropriate places in the text, or listed at the end of the paper rather than in footnotes. Roman numerals and extensive tables are to be avoided. Line drawings intended for text illustrations should be in India ink; half-tones cannot be printed in the text since the paper is unsuitable. Longer articles should have a brief summary at the end. Except on request, no proofs of 'General Notes' or short communications will be submitted to authors.

Twenty-five copies of leading articles are furnished to authors free of charge. Reprints from 'General Notes,' 'Correspondence,' etc., must be ordered from the Editor when the manuscript is submitted.

All articles and communications intended for publication and all books and publications intended for review should be sent to the Editor,

DR. GLOVER M. ALLEN
Museum of Comparative Zoology
Cambridge, Mass.

Information relative to advertising, subscriptions, requests for back numbers of 'The Auk,' as well as for other publications of the Union, changes of address and remittances should be sent to the Treasurer and Business Manager. Claims for replacement of missing or defective copies of 'The Auk' will not be honored unless received by the Business Manager within six months of publication of the particular number involved.
