THE AUK

A Quarterly Journal of Ornithology

ORGAN OF THE AMERICAN ORNITHOLOGISTS' UNION

Manuscripts should be typewritten, double-spaced, if possible. Titles should be brief, within one printed line. Avoid footnotes. References to literature may be inserted in parentheses in the text or listed at the end of the paper; consult recent issues of 'The Auk' for the style of citation used. Long articles should have a brief summary at the end. Mark copy only for *italics*. Avoid Roman numerals and extensive or ruled tables. Line drawings should be in India ink on white paper or cardboard; if reduction will be necessary, details must be correspondingly bold. Captions should be brief; discussions belong in the text. Common and Latin names of North American birds should follow the A. O. U. Check-List except in taxonomic papers giving formal discussions of the changes. Except on request, no proofs of 'General Notes' or short communications will be sent to authors.

Twenty-five reprints of leading articles are furnished authors free of charge. Reprints from 'General Notes,' 'Correspondence,' etc., and those from leading articles in excess of twenty-five must be paid for by the author, and must be ordered from the editor when the manuscript is submitted. Printed covers can be furnished at additional cost.

All articles and communications intended for publication and all books and publications intended for review should be sent to the Editor.

Claims for replacement of missing or defective copies of 'The Auk' will not be honored unless received by the Business Manager within six months of publication of the particular number involved.

WANTED

To complete sets of 'The Auk' in institutional and other libraries, the Treasurer and Business Manager is prepared to purchase the following issues: 1886, January and October; 1887, January; 1888, January and October; 1889, entire volume; 1890, October; 1892, January and October; 1908, July and October; 1911, July; 1924, October; 1928, January; 1929, January and April; 1930, January; 1936, April and October; 1937, January, April, and July; 1938, April, July, and October; and 1940, January.

If you do not intend to keep any of these issues that you may have, the A. O. U. will pay as much as or more than any second-hand dealer and by turning them in to stock you will be aiding college, university and other libraries that desire to maintain complete sets of our journal.

Members who have been elected in recent years and who desire to obtain back numbers of 'The Auk' should file their needs promptly. It is suggested that those ordering series do this by ten-year periods, as 1901-1910, 1911-1920, 1921-1930, etc.
