Effective immediately, correspondence and manuscripts relating to Ornithological Monographs should be addressed to:

Mercedes S. Foster
Editor, Ornithological Monographs
Department of Zoology
University of California
Berkeley, California 94720

FREE BACK ISSUES OF *THE AUK* TO FOREIGN INSTITUTIONS

The American Ornithologists' Union will consider requests from foreign institutions (excluding Canada) for back issues of *The Auk*; the only fee will be postage and handling. Each request will be considered on an individual basis with respect to need and the availability of the issues desired; rare issues are not included in this offer. Moreover, it is not intended to provide for multiple series of *The Auk* but to initiate or maintain a single set. Representatives of institutions seeking further information should write the Treasurer of the A.O.U., Dr. Joel Cracraft, Department of Anatomy, University of Illinois at the Medical Center, P.O. Box 6998, Chicago, Illinois 60680, stating which issues are being requested and including a statement as to need.

The Council of the A.O.U. has initiated a new class of membership, **Emeritus Member**. This is available to all Regular Members, Elective Members, and Fellows who have been members of the A.O.U. for 40 years or more. Dues for Emeritus Members are the same as those for students, currently \$12.00. Emeritus Membership is automatic upon application to the Treasurer.

1979 A.O.U. DUES

Members will please note that the **1979 dues envelope was included with this issue of *The Auk***. Prompt return of dues will be appreciated and will save the A.O.U. additional expense.
