CORRECTION

Dr. David Johnston has pointed out an inaccuracy in my memorial to Franz Sauer (1982 *Auk* 99: 572). To set the record straight: Franz did not chair the doctoral committees of Charles Collins, Peter Wescott, or Storrs Olson. Dr. Pierce Brodkorb chaired the committees of Collins and Wescott; Olson left Gainesville after one year, earned his M.S. at Florida State University, and his doctorate at Johns Hopkins University.—Oliver L.
