The First International Conference on Penguins will be held **16-19 August 1988** in Dunedin, New Zealand. For information contact the **Conference on Penguins, University Extension, University of Otago, P.O. Box 56, Dunedin, New Zealand.**

Wisconsin Project Loon Watch is accepting applications for its **Sigurd T. Olson Common Loon Research Award** for research on Common Loons in the Lake Superior-Lake Michigan region of the United States and Canada. To apply, a brief description (maximum 10 pages) of the proposed research program and curriculum vitae should be submitted by the principal investigator to **Dr. Paul I. V. Strong, Coordinator, Wisconsin Project Loon Watch, Sigurd Olson Environmental Institute, Northland College, Ashland, Wisconsin 54806** no later than **15 February 1988**. Proposals by students should be accompanied by two letters of recommendation. The \$1,000 award will be granted on the basis of the project's potential to better understand and manage Upper Great Lakes populations of Common Loons.
