### The Warblers in Color

BIRD-LORE begins in its December issue, the publication of beautifully colored plates, accurately representing all the plumages of North American Warblers, with migration records, compiled from data in the Biological survey by W. W. Cooke.

This number, with a Christmas card of a before unpublished view of John Burrough's Cabin, "Siabside," will be sent free to all subscribers to Vol. IV, 1904, of this magazine. Or, on receipt of one dollar, we will send the magazine and the card inscribed with your name as donor of BIRD-LORE for 1904, in time to be received as a
