AVIFAUNA No. 12

Birds of the Islands off the Coast of Southern California

By ALFRED BRAZIER HOWELL

127 pages; published June 30, 1917

A detailed review of the ornithology of the California islands: 195 species are treated; complete synonymies of each are given; contains tables of species by islands, a hypothetical list of 13 species, an exhaustive bibliography, and discussion of problems presented by the island avifauna. This is an important contribution that no active ornithologist can do without.

Members of the Cooper Club may take the regular Club discount (50%).
