

A Bird Watcher's Adventures in Tropical America
By Alexander F. Skutch

Here are the adventures of one of the world's foremost bird watchers in the earth's richest and most varied bird-life region. Alexander F. Skutch provides a colorful personal account of his journeys and long sojourns in the wilds of tropical America during the 1930's and early 1940's. This relaxed and richly detailed narrative describes the most notable birds he saw, the countryside where he found them, and the people he met along the way.

A Fuertes Portfolio of Texas Birds
The Color Plates from the First Edition of The Bird Life of Texas
Introduction by Edgar B. Kincaid, Jr.

Only a wildlife artist of the stature of Louis Agassiz Fuertes would have been appropriate to illustrate Harry C. Oberholser's monumental The Bird Life of Texas. The thirty-six color plates from the first edition are now available in portfolio form. The accompanying text sheets, with information on the haunts and habits of each species, are also suitable for framing.
