CORRECTION

In "Avian Nest Success in Relation to Past Grazing Regimes in a Montane Riparian System" by E. M. Ammon and P. B. Stacey (*Condor* 99:7-13), page 11,

right column, first paragraph, the text should read "Strictly riparian birds, such as . . . , have been found to respond negatively to grazing . . . although this is **not** true of all riparian species . . ." The word "not" was accidentally omitted in the original text.
