RE-ISSUE OF BACK NUMBERS OF WADER STUDY GROUP BULLETIN

We have reprinted WSG Bulletin numbers 1-22 in five volumes. They are facsimile reproductions and any errors in the first issue are still present.

Numbers 1-4 were originally produced on foolscap size paper and have been retyped on A4 to conform with later issues. The original pagination is indicated and should be used when citing references. Similarly bulletins should be referred to by number, not by re-issue volume.
