 W = C.M. Reynolds; Dorset  
 X, Y = South-Manchester R.G.; Peak District & Cheshire Plain; fully grown & pulli

A form for March to May 1979 totals will be found loosely inserted in this Bulletin.

(In order to minimize postage costs, this and future forms will not be included in copies sent to members in America as many of the species are inappropriate. If, however, American members wish to submit totals on a regular basis, we would be pleased to include these - and provide a form if requested.)
