

RECENT PUBLICATIONS ON WADERS

Compiled by Theunis Piersma

We try to make these lists as complete as possible and therefore any help (sending titles, abstracts or reprints) is very welcome! All this should be sent to Theunis Piersma, Hendrikstraat 21, 9724 NA Groningen, The Netherlands. Thanks are due to several persons for help. Translated titles of papers in languages other than English are bracketed: round brackets if the English translation is by the author (in which case the original title is not given); square brackets if the translation is by others (here the original title is often given as well).

- ANDERSON, A. 1981. Making polyvinyl chloride (PVC) colored legbands. *J. Wildl. Mgmt.* 45: 1067-1068. (Culterty Field Sta., Univ. Aberdeen, Newburgh, Ellon, Aberdeenshire, AB7 0AA, UK.)
