ILLUSTRATED LECTURES ON
BIRDS, BEASTS, AND BLOSSOMS

Dr. John B. May, Cohasset, Mass.

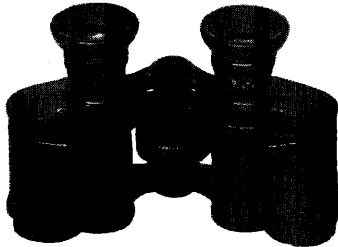

A small girl said "There were three whole schools there and you could have heard a pin drop."

The secretary of a Bird Club wrote "The lecture proved to be interesting and instructive to both adults and children."

The Park Museum of Providence has crowded its lecture hall on three different occasions.

To Bird-Lovers and Banders Everywhere

At the request of the Northeastern Bird-Banding Association we are prepared to supply a mixture of bird seeds for feeding purposes. The combination was selected by a prominent ornithologist. You can secure it in pound lots, or more, by parcel post. The mixture contains chick feed, sunflower, millet, hemp and canary. If wanted, we can supply any of these kinds separately. Write today.
