## GLENHAVEN TREE TRAP

Designed especially for tree feeding birds. Automatic in action, simple in construction, each bird is in a cell to himself, insuring his safety from enemies. The metal floor is extended to provide for outside bait. It catches a wider range of birds than any other tree trap. It is a trap and feed shelf combined. By fastening the doors open, birds can feed in and out at will. Metal throughout, will not hold water. Made in one cell for \$1.50; two cell \$3.; four cell \$4.50. F. O. B. Clayton.

**GLENHAVEN FOUR CELL**—Same principle as the tree trap. Best trap made for ground feeders.

**GLENHAVEN D-2**—The ideal water drip trap.

**GLENHAVEN D-3**—An everset top opening trap.

**GLENHAVEN SPARROW**—Gov't Sparrow simplified and improved.

**GLENHAVEN SWIFT**—100 per cent for swifts.

**GLENHAVEN CAT TRAP**—Metal throughout.

**GLENHAVEN BAND OPENERS**—For all sizes of bands.

In addition to our own line, we make any of the traps described in the Manual for Bird Banders. Always glad to make quotations on traps of special design.

# W.B.B.A. Two-Compartment Trap

This trap, measuring 7"x8"x10", is divided into two compartments each 5" wide, 8" high and 7" deep.

Each compartment is provided with a drop door and automatic treadle of the type used on Potter traps. The treadles are attached to the trap and counter-balanced so that the doors will not be tripped by the jar of a bird alighting on the trap, or by the falling of the other door.

In the United States, west of the Mississippi River.....\$1.50

East of the river and in Canada..... 1.75

With bottom added, making a combination trap and gathering cage, add 25 cents.

## NEW

### W.B.B.A. Warbler (Water) Trap—Top Opening.

Like our two-compartment trap, it is made of vertical wires, is strong, and is painted green.

In the United States, west of the Mississippi River.....\$3.00

East of the river and in Canada..... 3.25

Postage paid in all cases.

All articles and notes should be submitted to the editor. Manuscripts should be double-spaced and written on only one side of the paper. It is desirable that they reach the editor by the first of the month preceding the month of publication.

Subscription price, \$1.50 per year. Single number, 50 cents. Subscriptions should be sent to Charles B. Floyd, 95 South Street, Boston, Massachusetts.

Applications for membership in any of the three Associations should be sent to their respective secretaries. The annual membership dues are \$2.00 per year in the Northeastern and Eastern Associations, and \$2.50 in the Inland Association. Each member receives *Bird-Banding* free.

Publications for review should be sent to Dr. John B. May, 136 State House, Boston, Massachusetts.

Bound reprints of articles may be had at nominal prices. Fifty copies of four to six printed pages cost about five dollars. Reprints should be ordered early by writing to the editor, preferably when manuscripts are submitted for publication. Any number may be ordered.
