

RAPTOR RESEARCH FOUNDATION, INC.

in care of Biology Department
University of South Dakota
Vermillion, South Dakota 57069
U.S.A.

The **RAPTOR RESEARCH FOUNDATION, INC.** is a non-profit corporation whose purpose is to stimulate, coordinate, direct, and conduct research in the biology and management of birds of prey, and to promote a better public understanding and appreciation of the value of these birds.

Publication has been a major area of activity. From 1967 to 1971 *Raptor Research News* was published; in 1972 publication was continued under a new name, *Raptor Research*. A series of occasional longer publications was started in 1971, *Raptor Research Report*. *Raptor Research Abstracts*, initiated in 1972, is a quarterly bibliographic service.

The Raptor Research Foundation has had a number of informal meetings and in 1971 sponsored the first of its conferences on specific topics on raptors. This one was entitled "Special Conference on Captivity Breeding of Raptors," and another planned for 1973 is entitled "Conference on Raptor Conservation Techniques."

The interests of the Foundation are indicated by the titles of its committees: Editorial, Captivity Breeding, Population, Banding, Bio-telemetry, Pathology, Pesticide, Ecology and Ethology, Systematics, Education and Conservation, Bibliography, International Coordination, and Finance and Investment.

MEMBERSHIP

Membership in the Raptor Research Foundation is open to all who contribute. *Raptor Research* is sent to all who contribute a minimum of \$3.00 per year; those who wish to receive both *Raptor Research* and *Raptor Research Abstracts* must contribute a minimum of \$5.00. These minimal rates have been established to encourage all who are interested to join. Other activities are financed by the generosity of members who contribute more than the minimum. Such contributions are encouraged.

PUBLICATIONS

All previous publications are still available.

Raptor Research News each issue 50 cents.

1967-1969, Vols. 1-3, 4 issues each; Analytical Index, Vols. 1-3— 50 cents.

1970-1971, Vols. 4-5, 6 issues each; Vol. 5, issues 5-6 combined, \$1.00.

Raptor Research Report No. 1, Richard R. Olendorff, "Falconiform Reproduction; A Review. Part 1. The Pre-nestling Period." February 1971, 111 pp., 6" x 9", \$2.50 (\$2.00 to members).

Additional copies of current issues of *Raptor Research* are \$1 each. For price of additional copies of the Supplements, apply to Raptor Research Foundation.

CONTENTS

SCIENTIFIC PAPERS

Radio-tagging Falconiform and Strigiform Birds—Thomas C. Dunstan . . . 93
 An Account of Trio Nesting by Yearling Snowy Owls in Captivity—
 G. M. Flieg and Paul R. Meppiel 103
 Unusual Egg Production of the Barn Owl (*Tyto alba*) in
 Captivity—G. M. Flieg 104

REPORTS, REVIEWS, AND OPINION

Letter to the Editor: Possible Vaccination against Aspergillosis—
 John E. Cooper 105
Translation: A Brief Report on Virus Hepatitis in the Eagle Owl—
 Karl Borg and G. Rockborn 106
Report: Raptor Papers Presented at the 1972 Meeting of the
American Ornithologists' Union 108
Book Review: Heintzelman—A Guide to Northeastern Hawk Watching—
 Richard R. Olendorff 111
Report: Raptor Research Foundation, Inc., Membership and
Mailing List, December 31, 1972 112

NOTES, NEWS, AND QUERIES

Publication Date of Summer Issue, 1972 128
 R.R.F.'s New Letterhead and Cover Picture for *Raptor Research* 128
 Conference on Raptor Conservation Techniques, March 22-25, 1973 128
 Disease Transmission Problems in Raptors 128
 Second Conference on Captivity Breeding of Raptors 129
 Breeding Project Information Exchange—Change of Procedures 129
 Request for Information and Assistance 129
 Dr. Cade Appointed Chairman of Captivity Breeding Committee 129
 A Grazing Protest for the Eagle Killers 129
 Falconry Stirs Controversy in Hearings on Eagles 131
 Artificial Insemination of Raptors 132
 Bald Eagle Survives Shooting, Information Rewarded 133
