ON THE COVER: The rarity of autumn 2004 was unquestionably the Red-footed Falcon that visited Martha's Vineyard, Massachusetts 8 through 24 (here 10) August, a first for the New World. As if an omen of events to come, two months later the Red Sox won baseball's World Series, for the first time since 1918. Photograph by Jeremiah Trimble.

North American Birds

is published by the American Birding Association.

The mission of the journal is to provide a complete overview of the changing panorama of our continent's birdlife, including outstanding records, range extensions and contractions, population dynamics, and changes in migration patterns or seasonal occurrence. We welcome submission of papers in these areas; papers and other communication should be sent to *North American Birds*, 9 Randolph Avenue, Cape Charles, VA 23310. For correspondence on photographic material, contact the Photo Editor at the email address below.
