*North American Bird Bander* welcomes articles and notes, not published in other journals, containing significant knowledge about bird banding or studies incorporating bird banding as part of the project. Very technical manuscripts are generally not preferred. *Mss* should be submitted to the editor of the organization (EBBA or WBBA) to which the author belongs.

**Suggestions to authors:** Manuscripts should be submitted in duplicate and should be typed, double-spaced (including tables and tabulations of literature or of band numbers), on one side of 8½" x 11" bond paper. Margins should be one inch all around. Tables and graphs should be on separate sheets. Drawings must be on durable paper, executed in india ink; all lettering should be executed with a lettering guide or marked for typesetting. Photographs should be sharp and of good contrast. Glossy black and white, or color prints, are accepted; slides are not. More than 4 or 5 photos per article are not accepted. Generally, papers longer than 15 pages, double-spaced, are considered too long. Style and form contained in the CBE Style Manual, Third Ed. (1972) is followed; vernacular bird names are taken from the AOU Checklist, Fifth Ed. (1957) and the 32nd and 33rd Supplements thereto (1973, 1976). Reprints are available at the author's expense; minimum order is 100, and a rate schedule can be obtained from the publisher. Extra copies of issues may be purchased at \$1.50 each.
