
Suggestions to authors

Manuscripts should be submitted in duplicate and should be typed double-spaced (including tables and tabulations of literature or of band numbers), on one side of 8½ × 11" bond paper. Margins should be one inch all around.

Tables and figures should be on separate sheets, one per page. Tables should be kept to a minimum. Drawings must be on durable paper, executed in india ink, with no shading. All lettering on figures should be executed with a lettering guide or—preferably—marked, on a separate page, for typesetting.

Photographs should be sharp and of good contrast. Glossy black and white, or color, prints are accepted: slides are not. More than 4 or 5 photos per article are not preferred.

When using information about birds banded by someone other than yourself, please acquaint yourself with the Policy on Release of Banding and/or Band Recovery Data, issued by the Bird Banding Laboratory.

Generally, papers longer than 15 pages, double-spaced, are considered too long. Style and form contained in the CBE Style Manual, Fifth Ed. (1983) is followed; vernacular bird names are taken from the A.O.U. Checklist, Sixth Ed. (1983).

Reprints are available at the author's expense; minimum order is 100, and a rate schedule can be obtained from the Coordinator, Terrence N. Ingram, 8384 N. Broadway, Apple River, IL 61001.

North American Bird Bander is a quarterly publication of the Eastern Bird Banding Association, Inland Bird Banding Association, and Western Bird Banding Association.

Table of Contents

Articles

- 62 Bander's Guide To Identification of Empidonax Flycatchers in North eastern North America
Robert G. McKinney
