

SIXTY DAYS' OFFER.

Rapid Taxidermy at Home.

THIS IS THE SEASON TO LEARN.

If you go upon an outing or remain at home, you need my simple and easily understood process of taxidermy. A child can comprehend it at one attempt. No tools required excepting a knife, file and wire. Less than one-third of the work of the old process, and less than one-tenth of the expense. Ten persons can learn together as well as one or two, and reduce the cost to nothing. Birds, Mammals, Heads and Horns and Fish Heads can be preserved as souvenirs of a day's pleasure, and as decorations of house, den or office. If you do not care to preserve your game, the beautiful plumage of a Woodcock or Grouse, or the Buck's or Pike's heads, let your wife and children take up the pleasing and instructive work and become expert. You cannot fail. Satisfaction is guaranteed. Boys and girls can make money at home. Complete instructions and materials for mounting 20 birds the size of a Quail, Head, etc., together with full directions for dressing skins with the hair on, for rugs, robes and hangings. All for \$1.00.

BUT FOR SIXTY DAYS THE FOLLOWING REASONABLE OFFER IS MADE.

TO THE READERS OF THE BULLETIN :

If you will agree to mount a bird, or other specimen, and set it up on the limb of a tree, or on the peak of the roof of a barn, house or other building, exposed fully to the weather, to advertise my process, I will sell you the One Dollar instructions, etc., as advertised, for 50 Cents. This is to advertise my method. At the present time there are hundreds of birds and mammals prepared by my process and mounted on limbs and buildings. They may be found from Maine to Oregon, from Florida to California. Or I will send the full instructions and directions as described above, alone, and without the compound, for 20 Cents, stamps or silver. This low price is offered until January 1, 1898, that boys, girls and all interested in taxidermy may comprehend my process.
