CORRESPONDENCE.

To the Members of the Chapter :

If you will look up the official reports for the last year you will find that Mr. Jones had to contribute about twenty-three dollars toward the expenses of publishing the BULLETIN. In a personal letter Mr. Jones informs me the deficit this year will be about forty dollars. We all realize that it would be impossible for the Chapter to keep in existence without some means of communication. The BULLETIN furnishes the means needed. As the membership dues are not enough to meet the expense of publication, let us each contribute a little to make up the present deficit, so as not to put the burden too much on one. Are we not willing to blot from our account book this item ; "Contributed by the editor of the BULLETIN—forty dollars" ? Let us also try to secure a large enough subscription list to make the BULLETIN self-supporting.

Fraternally,

MILTON JUNCTION, WIS.

G. M. BURDICK.

[NOTE.—The reason why this year's deficit will be larger than last year's is, first, because we began last year with a little over seventeen dollars on hand and, second, because this year a special BULLETIN has been issued, costing about ten dollars more than an ordinary number.—ED.]

ERRATA.

The following corrections should be made in the note on the breeding of Ruby-throated Hummingbird, p. 62. In line two read "May 29, 1896," and in line eight read "May 29, 1887."
