Bird Lore's Motto:

A BIRD IN THE BUSH IS WORTH TWO IN THE HAND

IF YOU ARE INTERESTED IN BIRDS, YOU
WILL BE INTERESTED IN "BIRD LORE"

A feature of the year is a series of plates by Bruce Horsfall and
Louis Agassiz Fuertes, accurately illustrating

THE WARBLERS IN COLOR

with figures of the male and female, and young (when their plum-
ages differ) of every North American member of this fascinating
family.

The text accompanying these beautiful pictures is by Professor
W. W. Cooke, from data in the possession of the Biological Survey
at Washington, and gives the times of arrival and departure of the
Warblers from hundreds of localities throughout their range.
