

## THE JOSSELYN VAN TYNE MEMORIAL LIBRARY

### BOOKS: List B-6

Following is the sixth supplementary list of books acquired by our library, these being new since publication of List B-5 in March 1961 (*Wilson Bulletin*, 73: 93-95). Members wishing reprints of this and earlier book lists may write to the Josselyn Van Tyne Memorial Library (Wilson Ornithological Society), Museum of Zoology, The University of Michigan, Ann Arbor, Michigan.

This list includes, in particular, numerous titles in recent increments of the personal library of the late Josselyn Van Tyne, being progressively incorporated into the Society's permanent holdings through the generosity of Mrs. Van Tyne.

Also included are gifts from a number of other members; contributions from Houghton Mifflin Co.; and significant purchases made from the New Book Fund, substantially augmented of late by donations and by sale of duplicate books and separates.
