

ADDITIONS TO THE BOOK LIST OF THE JOSSELYN VAN TYNE MEMORIAL LIBRARY

The following books have been added to the collection since the last book list was published in the September 1982 *Wilson Bulletin* (*Wilson Bull.* 94:393–429). The list includes books received both as gifts from members and on exchange, as well as those purchased with Library funds. It includes only those books that have been catalogued through December 1984. Any donations or contributions to the new book fund will be gratefully received and acknowledged. Members wishing to borrow these or any other items should write to the Library.

ANNOUNCEMENTS

NORTH AMERICAN BLUEBIRD SOCIETY RESEARCH GRANTS

The North American Bluebird Society announces the third annual grants in aid for ornithological research directed toward cavity nesting species of North America with emphasis on the genus *Sialia*. Presently, three annual grants of single or multiple awards totaling \$3000.00 are awarded and include:

Bluebird Research Grant.—Available to student, professional, or individual researchers for a suitable research project focused on any of the three species of bluebirds of the genus *Sialia*.

General Research Grant.—Available to student, professional, or individual researchers for a suitable research project focused on a North American cavity nesting species.

Student Research Grant.—Available to full-time college or university students for a suitable research project focused on a North American cavity nesting species.

Further guidelines and application materials are available upon request from Theodore W. Gutzke, Research Committee Chairman, P.O. Box 121, Kenmare, North Dakota 58746. Completed applications must be received by 31 January 1986; decisions will be announced by 15 March 1986.
